IT'S ALL
ABOUT
CHOICE

At the Handmade Sofa Company we appreciate that a sofa is one of the biggest investments in your home. When you consider the amount of time you spend on or around your sofa it really should be exactly what you want.

What does your dream sofa need to be?

Sleek and stylish? Warm and welcoming? Made-to-measure? With a bed included? All of the above? The Handmade Sofa Company will make your sofa the way you want it.

Whether you require leather or fabric, traditional or contemporary, we can make to your specifications.

Our expertise and personal service is devoted to making the right sofa for you. Using quality British workmanship and materials of the very highest standard we produce stylish furniture, reasonably priced and delivered to your door – normally **within 4-6 weeks**.

The Handmade Sofa Company works alongside the UK's leading leather and fabric suppliers enabling you to choose from an almost infinite range of coverings. Indeed, even if you have already found the covering of your dreams, just bring it to us and we will make your Handmade Sofa Company furniture in it.

For a list of the fabric companies and designers that we work with please refer to page 48.

**HANDMADE
IN THE UK**

"...I am absolutely delighted with it ...It looks fantastic and the fact that it is modular has worked extraordinarily well. Also, the height is perfect and I am glad that you made me make it slightly larger than originally planned. The arms being the same all the way round also make it so much more flexible. The whole measurements too work really well and it fits the room like a glove!"

Katy, Cambridge

Design your own sofa

When choosing a sofa, the final decision is very often about details. It is all very well having standard dimensions for standard designs but all of us are non-standard in some way or other.

At The Handmade Sofa Company, we can use a standard design and modify it to suit your specific needs. If you are taller than average, we can add a little depth to the seat or height to the back. You might prefer your sofa to have a wider arm at a lower position, or maybe a wooden leg instead of metal – for the Handmade Sofa Company such changes come as standard.

Such flexibility also allows us to go beyond simple modifications. For those who just cannot find what they are looking for we will carefully guide you through the process of building a bespoke sofa from scratch. Using photographs, your own sketches or even just a mental picture of what you want, our experienced staff can help you with free advice and quotes to design exactly the sofa or chair that you are looking for. Whether you prefer to visit us at our showroom, communicate by email or over the phone, we are on hand to give you a unique and personal service.

Most of our range can be made as a sofabed

Wherever possible we use high quality two-fold bed mechanisms which include a sprung mattress. Due to their unique frame construction we are only able to accommodate three-fold mechanisms in our Chesterfield models. Due to the flexibility required these mechanisms necessitate a foam mattress.

There are a few considerations to bear in mind when selecting a model as a sofabed:

Legs/feet To avoid the bed mechanism being visible on the underside of the sofa, furniture models with shorter legs are recommended. A model with taller legs can be used but the front border below the seat requires modification to utilise a shorter leg.

We don't recommend the use of **casters** due to the considerable extra weight a bed mechanism adds to the sofa.

Sprung/buttoned seats cannot accommodate a bed mechanism.

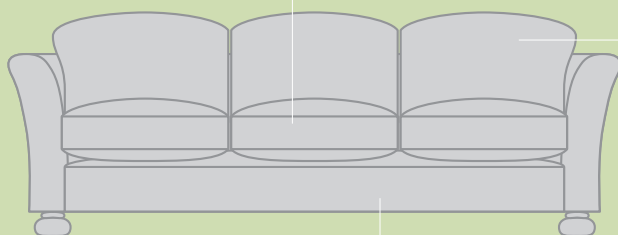

Chaise longues/Chaise sofas are unsuitable as sofabeds.

We have always believed that buying a sofa should be all about choice and not compromise. That is why every aspect of our sofas and chairs – whether it is the design, covering, dimensions, cushion filling or even the stitching – can be modified.

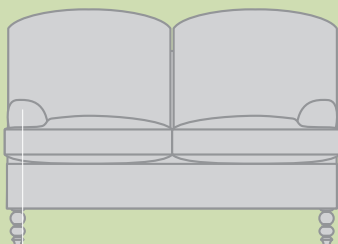

Many sofas can be supplied with 'split' frames for the most restricted access – please ask for details.

Standard cushion fillings are foam or soft hollowfill fibre. We can also supply a variety of alternative fillings including feather, foam/fibre mix. You can also decide on the number of cushions you require.

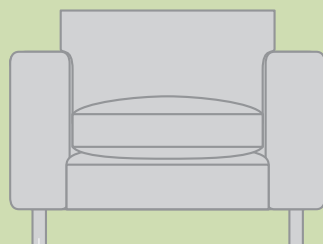

Back cushion height and shape can be adjusted to order.

The frame width and depth can be increased or reduced according to your needs.

Arm widths and heights can be increased or reduced to order. You can also choose alternative arms to go with our standard sofas. Many models are supplied with bolted-on arms to assist with any potential access problems either now or for the future.

A wide variety of feet are available. We can also stain wooden legs to order should you wish to match them with existing furniture.

All furniture is available in any leather or fabric of your choice. Please ask for samples or visit our website www.handmadesofacompany.co.uk

What goes into our handmade furniture?

seats and backs in hollowfill fibre, feather or foam

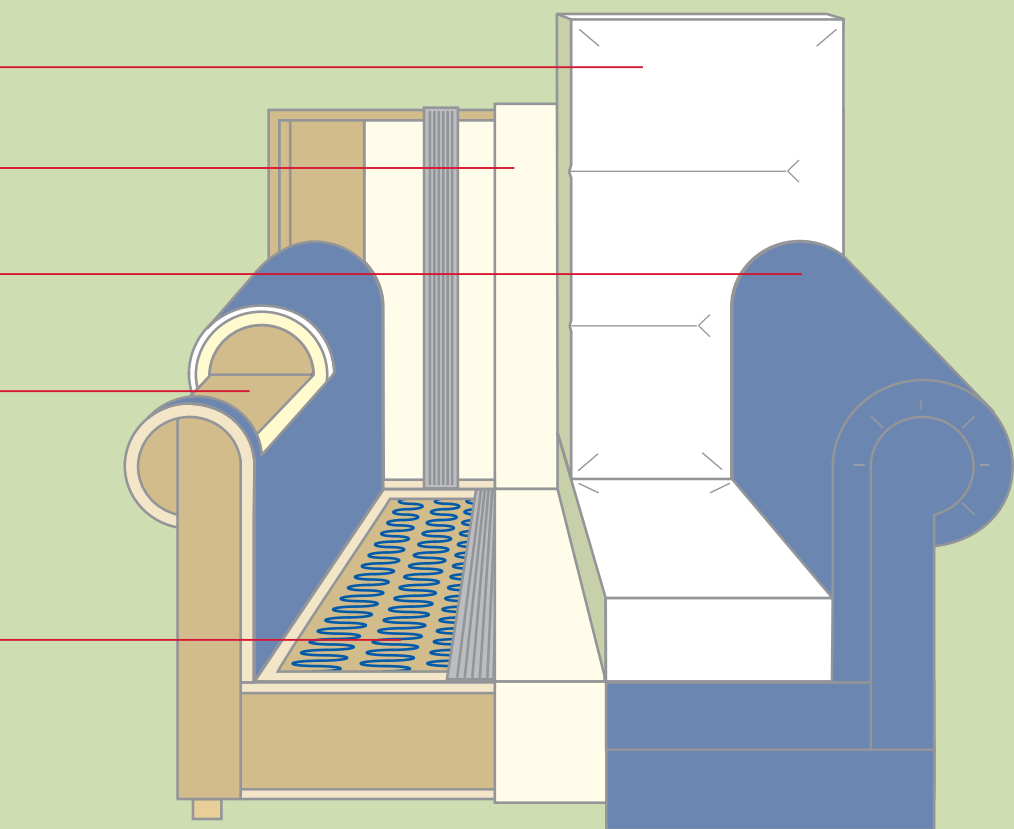

combustion-modified, heat resistant foam

hand-finished upholstery

hardwood frames in beech and birch, secured with glue,
dowelling and screws in major pressure points

zigzag/serpentine springs

materials compliant with Furniture and Furnishings
(Fire Safety) regulations 1988

The sofas

As our name suggests, every piece of our furniture is hand built to order using the finest high quality materials. All furniture is made in the UK ensuring the best of classic and contemporary design with a robust construction and quick delivery – usually about 4-6 weeks but sometimes less.

Fabric furniture We can supply all of our sofas and chairs using fabrics from the UK's leading suppliers and designers (see page 48). From natural linens to sumptuous velvets we will help you find the perfect fabric for your sofa.

Leather furniture Using one of the most extensive collections of leather in the UK we are bound to have what you want.

- From luxurious aniline full grains to the most practical corrected grains you will be amazed at just how much choice you have in every colour and hue you can imagine.
- You are guaranteed that any sofa, chair or group of furniture you order will be covered in genuine leather selected from the same batch of hides, ensuring continuity of tone and thickness.
- By carefully selecting our leather we manage to cut down on unnecessary stitching which produces furniture which not only looks superior but also has maximum durability.

Simply let us know the type of fabric or leather you are searching for and we will send you a free collection of samples in the post.

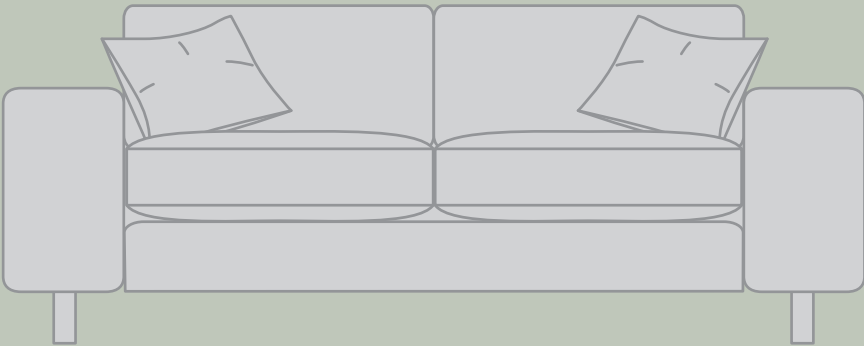

The following pages feature a selection of our standard sofas and chairs which can be modified to your specifications should you wish to make any changes. Photographs can be found in the gallery section of each model on our website.

A bed can be added to most of our sofas – please ask for details.

Chaise longues

The origins of the chaise longue – or chaise lounge as they are increasingly referred to – are not entirely clear. Most people have the image of decadent Romans reclining on a type of chaise longue while being fed grapes by scantily-clad slaves!

However our more typical image is of the classic French style which first appeared in 16th-century France. After a century or two, more ornate designs appeared and they became status symbols made of expensive, beautifully carved wood covered in luxurious fabrics.

Our 'Regency' range of chaise longues is influenced by this classic French style while the contemporary 'Mode' range represents an up-to-date twist for more modern living.

All of our chaises can be made with right- or left-handed arms or without backs as well as made-to-measure. We can also supply them using a wide variety of legs/feet in different finishes – please see page 31 for these options.

Chaise longues

All chaise longues can be buttoned or left plain and are available as left or right handed.

Bolster and scatter cushions available as extra.

"Just want to say a big thank you for the beautiful chaise sofa. It really is a lovely piece of furniture and fits the spot perfectly. Many thanks for all your help. If we ever need a bespoke piece again you will be the first port of call."

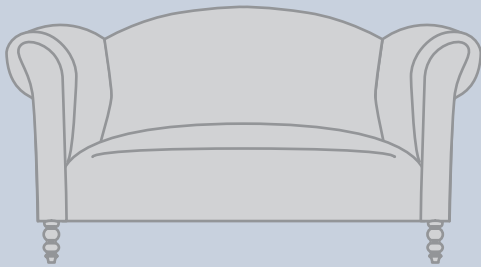

Nicky & Courtney, Maldon

Chesterfields

It first appeared towards the end of Queen Victoria's reign and since then the Chesterfield style has come to represent quintessential English style. From traditional smoke-filled gentlemen's clubs to Big Brother, the Chesterfield has become as stylish as it is timeless.

Our range of Chesterfield furniture is made using robust modern components and can be tailored to whatever style you require. All styles are supplied in traditional antique 'rub-off' Chesterfield leather as standard. There is a huge variety of colours to choose from in our Chesterfield leathers which encompass a spectrum from deep reds, dark greens, classic tans to blues and rusts. Non-standard variations include distressed grains in various colours or more contemporary leathers for a fresher take on this design classic.

All models are available with or without buttoning. The number of seat cushions is also 'variable' and you can also choose from a plain or buttoned fixed seat. We can also replace studs with piping if required. If you would like to include a sofabed please ask for details.

A leather finish may be the obvious option, but our Chesterfields can be covered in almost any fabric you care to choose. Why not consider a sumptuous velvet, a rich chenille or let your imagination go wild? We will send you samples of any fabric you want.

"...I'm completely and utterly in love with my fabulous velvet Chesterfield sofa. It was the most money we've ever spent on any one piece of furniture and every day I want to give it a little kiss and cuddle when I come in from a long hard day at work..."

Corner sofas

Whether you want to make the most of your seating space or simply stretch out in unrestricted comfort, a corner sofa or corner chaise is the perfect answer.

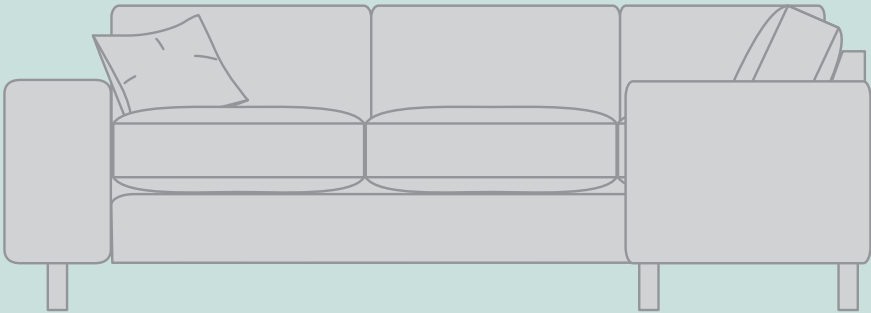

The Handmade Sofa Company can supply a wide range of standard and made-to-measure sizes using almost all of our designs. Be it for a straightforward corner area in the living room or a 'U' shaped arrangement in your home cinema, we can supply a corner sofa to suit your specific requirements – finished in your choice of leather or fabric.

Standard dimensions for each possible section of your corner combination can be found on page 47. These are based on the Huxley range so please bear in mind that dimensions will vary slightly according to the size of arm on the style you choose.

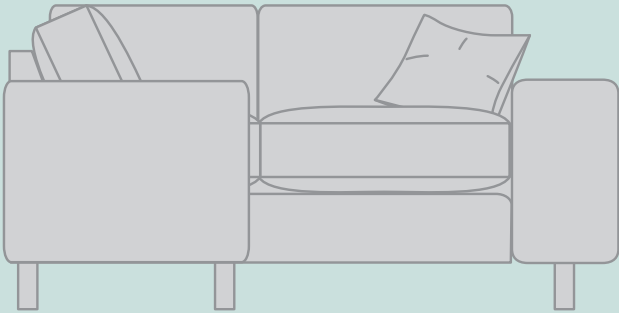

Corner sofa configuration

Based on the Huxley sofa

Front view

Side view

"The corner sofa arrived this morning – it fits perfectly and looks superb. The footstools are delightful. Thanks from two delighted customers."

Allen, Letchworth

The following standard sofa styles work well as corner sofas:

- | | |
|-----------|-----------|
| Huxley | Fleming |
| Chandler | Steinbeck |
| Joyce | Salinger |
| Ludlum | Golding |
| Burroughs | Twain |

Please note the following:

- All corner groups can be configured to the right or left.
- Curved or angled corner units also available on request.
- A fold-away bed can be included on most models.
- All seating sections can be supplied without arms if required.
- Matching chaise longue or (ottoman) footstools can also be supplied.

Paying for your furniture

We require a 50% non-refundable deposit at the time you place your order. We will inform you when your order is ready to be shipped, with any outstanding balance agreed before delivery.

We accept the following methods of payment: BACS; Visa, Mastercard, Maestro, Visa Electron and Solo cards.

We also accept £ sterling cheques made payable to The Handmade Sofa Company. Please allow four working days for clearance.

Please note that credit card payment attracts a 2.5% surcharge.

Conversion chart

We use the **Width** measurement first for the longest part of the item, for instance, the outside edge of the left arm to the outside edge of the right arm of a sofa or chair, followed by the **Height** to the top of the back cushions; finally, the **Depth**, being the measurement from the front edge to the back edge.

Conversion table

metric		imperial		imperial		metric
1cm	=	0.4in		1in	=	2.5cm
5cm	=	2in		6in	=	15.2cm
25cm	=	9.8in		1'	=	30.5cm
50cm	=	19.7in		2'	=	61cm
100cm	=	39.4in		3'	=	91cm
1.25m	=	49.2in		4'	=	1.22m
1.5m	=	59.0in		5'	=	1.52m
2m	=	78.8in		6'	=	1.83m

We can deliver in 4-6 weeks, sometimes less.

We will call or email you, usually a week or so beforehand, to arrange a convenient date and time for delivery.

Please bear in mind that it is ultimately your responsibility to check that the furniture you have ordered fits through your home or work entrance and any stairways or hallways. Should you have any concerns regarding access to the delivery address please let us know when ordering and we can plan accordingly.

Unfortunately our carriers may not be able to assist you should the initial access point be above ground level. Our carriers are only contracted to deliver to your door. If you require delivery into your residence it is at your own risk.

Please note that many models can include bolted-on arms for easier access. A charge of approximately £30.00 per item is payable should it be necessary to disassemble/reassemble these to gain access.

We would appreciate any assistance in terms of local information which may affect ease of delivery. Such information might include awkward access, low bridges etc. We also recommend preparing the access point by removing any potential obstructions and small items such as ornaments, rugs, mirrors and pictures.

The carrier will remove all packaging to allow you to inspect the furniture for any damage or deficiencies and you will be required to sign a receipt as proof of delivery and acceptance of goods received. Although improbable, should there be any damage to the furniture, we will either take back the goods or arrange for an on-site repair free of charge.

Please note that The Handmade Sofa Company cannot accept any responsibility for lost working time in the unlikely event of a delivery being incorrect, delayed or postponed.

PRICE LIST

Prices for furniture on pages 10 - 34 include the cost of a basic fabric (plain cotton, chenille or faux suede @ c.£20.00/metre RRP). Prices for leather furniture include plain corrected or antique 'rub-off' leather. Please note that other fabrics and leathers are also available which affect the cost on a pro rata basis.

Please note that (F) represents prices in fabric and (L) represents prices in plain leather.
